

DR. KADIR
EXCLUSIVE ORGANIC CARE™

Passion Fruit Body Cream Butter

This highly nourishing product melts into the skin, giving it a silky-soft, rich feel. It balances the skin's moisture level and protects the skin, thanks to the high content of many organic oils and butters, chief among them organic passion fruit oil which is known for its nourishing and calming effect.

The product is available in two different natural fragrances – coconut and rose.

Hypoallergenic

99.27% of the total ingredients are of a natural origin.

21.20% of the total ingredients come from Organic Agriculture.

Certified by EcoCert
